

ROCHESTER UNIVERSITY

Scholarship Application

Master of Religious Education

Friends of Christian education have provided a limited number of scholarships for students who could not otherwise prepare themselves for maximum Christian service. The scholarship committee considers these funds a sacred trust and strives to administer them equitably. Two factors are considered in evaluating each applicant: 1) academic ability and 2) financial need. In order to evaluate these two areas, complete honest answers are needed to questions regarding these matters. Scholarships are awarded for one academic year, which begins with the fall semester and ends with the summer semesters. New students should include the application for scholarship with their application for admissions
