Psychology	011	1	100	100
Social Studies (Sec.)	084	4	100	100
All Content Area Tests		83	74.7	90.4

% Pass = Percent of Eligible Test Takers Who Passed the Test

This refers to the percentage of all the test takers who passed the test during the program year. These data reflect the best attempt of each test taker, including initial attempt and retakes. Each test taker is counted once.

Interpretative Cautions

The candidates for whom results are presented in this document may not reflect the same portion of all the types of capabilities of candidates in the population who will take this test in the future. Extreme caution should be used in interpreting data for small numbers (less than 100) of candidates, as such data may not provide a valid indication of how candidates typically perform. Results reported for only a small number of candidates may not be indicative of how large numbers of candidates typically perform. (Source: Michigan Department of Education)

Analysis

Rochester Christian University's overall pass rate of 74.7%. MTTC scores are calculated annually by the MDE using a three-year rolling metric with results for both initial and cumulative attempt types. The data presented in this report are for the 2021-2024 MTTC Program years and represent attempt types. The "N" refers to the total number of test takers testing across all administrations during the program year, including those whose first attempt was in a previous year. Each test taker is counted once. The EPP's acknowledges its small number of test takers by considering the interpretive cautions presented in the previous section.

The EPP continues to support teacher candidates in the passing of the licensure tests through structured study sessions and annually reviewing the curriculum to ensure that it is aligned to the State of Michigan standards. Additionally, all elementary programs are being phased out and replaced with Michigan's new Grade Banding certification structure (e.g. Pre-K through Grade 3 and Grades 3-6). The MDE approved these elementary programs for Rochester Christian University in April 2022.
